

HiReach™ L60R

Own it for under \$3,600/mo!

You have high goals for your company; reaching them requires a payment that won't drag you down. Ring Power Utility Equipment can help to you attain your goals of being aloft in a Elliott Hi-Reach L60R for just \$3,588³⁶ per month (48 month term with first payment due in advance.)

With a 500 pound platform capacity and a working height of 62 feet and 56-foot side reach, this truck is a workhorse. With optional high capacity boom winch, material handling jib and power to the platform (110v, compressed air, hydraulic or welder leads), there isn't much you can't do with the Elliott Hi-Reach L60R.
